O R D E R

The State Election Commission in the letter read as fourth above has informed that the Deputy Secretaries holding the posts of Administrative Officer and Finance Officer in the State Election Commission have substantial work scrutinising the election accounts of nearly 63,000 candidates. Besides bye elections have to be held and the Commission has reported that on an average 10 bye-election need to be held in every month. Also the Commission has to attend to several complaints and consider and dispose of appeals. Thus the work load in the State Election is considerable. For conducting election there has to be frequent interaction with the District Administration. The Commission has, therefore, requested to upgrade the two existing posts of Deputy Secretary to Government in the State Election Commission to that of Joint Secretary to Government.

Government have examined the proposal in detail and are pleased to upgrade the existing posts of Administrative Officer and Finance Officer in the cadre of Deputy Secretary to Govt. in the State Election Commission to that of Joint Secretary to Government with immediate effect.
