With a view to adding necessary provisions regarding the preservation of electronic voting machines and other documents used in election, Rule 55 of the Kerala Municipality (Conduct of Election) Rules, 1995 was amended as Rule 55 (a) vide Notification read above, and the same came into existence with effect from 20.12.2019.

While conducting candidate setting in EVMs for election to Rural Local Bodies, Posts are identified with a unique number format consisting of DP code/BP Code/GP Code, DP/ BP/ GP Constituency Numbers and Polling Station Numbers, as the DMMs are only kept in safe custody.
